DEFENDANT RICHARD FIAPOTO'S OBJECTIONS TO THE PROPOSED
PRESENTENCE REPORT

The Defendant has the following objection or change to the Proposed
Presentence Report in the above-captioned matter:

The Defendant has raised some concerns about the lab reports regarding
the weight of the drugs recovered during various buys. The believed discrepancy in
the taped undercover buys does not appear to comport with the weight of the drugs
that was received and tested.

This discrepancy, if true, will not affect the mandatory minimum charged in the indictment except to note the correct weight. The Defendant, through his attorney, is still investigating the lab reports produced in discovery. This discrepancy has been discussed with the Assistant United States Attorney Beverly Wee Sameshima.

DATED: Honolulu, Hawaii, July 18, 2006.
